Tools: GitLab, VS Code, Swagger

Database: SQL, PostgreSQL, NoSql(Basic)

Frameworks & Libraries: Joi Validation, JWT, OAuth, Material UI, TailwindCSS

Development Practices: Reusable Components, Code Optimization, Debugging

Cloud and Deployment: Basics of Docker, AWS, Kubernetes

AI-Assisted Development: Using AI tools to support Problem-Solving, debugging and code refinement

Experience & Internships

Full Stack AI Developer — My Soaring

11 Months

- Developed responsive web applications using React.js and Next.js.
- Built reusable UI components based on design and functional requirements.
- Reviewed existing codebases and implemented improvements for performance and clarity.
- Worked independently on assigned tasks and collaborated with team members.

Frontend Developer Intern — Round's Edge Technology, Coimbatore

2 Months

- Assisted in developing frontend interfaces using modern web technologies.
- Improved UI consistency and responsiveness across multiple devices.

Full Stack Developer Intern — LearnX (Online)

2 Months

- Worked on full stack development including frontend implementation and backend integration.
- Gained hands-on experience in building, testing, and debugging web applications.

Python Intern — NSIC, Chennai

1 Week

- Learned Python fundamentals and basic scripting for problem-solving tasks.

Projects

Personal Portfolio Website — Next.js, Tailwind CSS

- Designed and developed a responsive portfolio website to showcase skills, projects, and experience.

Cloud-Based AI Chatbot — HTML, CSS, Python (Flask)

- Developed an AI-powered chatbot with backend integration and efficient response handling.

Education

B.E. Computer Science Engineering

2022 – 2026

Park College of Technology, Anna University, Coimbatore

Higher Secondary (12th) — 69%

2021-2022

Government Model Higher Secondary School, Jegathabi, Karur

Secondary School (10th) — 69%

2019-2020

Government Higher Secondary School, PJ Chozhapuram, Karur

Certifications & Achievements

- Full Stack Developer Internship Certificate – LearnX
- Frontend Developer Internship Certificate – Round's Edge Technology
- Python Internship Certificate – NSIC, Chennai
- Participant – KGISL MERN Stack Hackathon
- Participant, 2-Day Workshop on Cyber Security using Deep Learning
- Idea Sphere Coordinator (Institution Level)
- Awarded Best Student – Academic Excellence
- Awarded Best Outgoing Student – Park College of Technology

Additional Information

Languages: Tamil, English, Telugu (Speaking)

Strengths: Problem Solving, Fast Learner, Time Management, Team Collaboration
